

## AIM OF THE PROJECT

The WELFARE project aims to create a melting pot for social innovation within universities, as a gateway for researchers and students to develop skills and competences as social entrepreneurs, by engaging them in communication and cooperation with educational institutions, non-profit organisations and businesses within the welfare system.

## THE PARTNERSHIP

KMOP - Social Action and Innovation Centre | Greece

Vaxandi - Háskóli Íslands | Iceland

Stimmuli | Greece

XWHY / Agency of Understanding | Lithuania

VIVES | Belgium

## Designing future WELFARE systems

Co-funded by  
the European Union

## THE PROJECT WILL:

- Develop high-quality Open Educational Resources, including curriculum, online/f2f training content and training course.
- Promote and enhance understanding of the importance of social innovation and entrepreneurship within partner countries' welfare systems.
- Create an open university, training and networking environment for discourse, research and social innovation in the welfare system.

## OBJECTIVES

- Create an inclusive and integrated learning environment focusing on social innovation and entrepreneurship in the welfare sector.
- Develop online training and support materials for social entrepreneurs tailored to their needs as well as welfare sector needs.
- Develop the WELFARE training platform for social entrepreneurs, introducing the concept of social innovation and entrepreneurship.
- Create a communication platform for social innovators and entrepreneurs, both university students and practitioners, sharing knowledge and experiences.

## RESULTS

**WELFARE Curriculum** for social innovation and entrepreneurship training

**Pilot trainings** for students and practitioners;

**WELFARE Open Educational Resources** and training guidelines

**WELFARE training platform** and networking portal

## WHO WILL BE INVOLVED?

- Practitioners and stakeholders within the welfare system
- Universities and training organisations
- Education and innovation systems, focusing on policies and infrastructure of social innovation and entrepreneurship
